

HOP ON THE BUS

STYLE:
NEW ENGLAND STYLE IPA

DESCRIPTION:

The hallmark of craft beer and craft brewers is innovation. Craft brewers interpret historic styles with unique twists and develop new styles that have no precedent. Nothing could be more true of the newly created and wildly popular beer style that has been coined a “New England”, “Vermont”, “Hazy” or “Juicy” IPA.

We here at Fox N Hare Brewing Company had no choice but to “Hop on the Bus”.

Our take on an NE IPA is by far the hoppiest beer we have ever brewed. Massive post-boil hop additions and dry hop additions mean that our Hop On The Bus is packed with Pineapple, Peach, Clementine, Watermelon, Pear, Papaya aromas & flavors but still finishes smooth and refreshing.
